Thank you for a very nice stay, we loved it and really appreciated special touches such as the flowers and ball and cookies for our dog. The water bottles are also a great touch. I can suggest steak knives for another value add and maybe a dustbin for doggy poo bags outside somewhere.

Perfect! We all really enjoyed our stay, having the wildflower meadow all to ourselves was just heavenly. The safari tent is very comfortable with a lovely view overlooking a pretty village, it was so nice to sit out in the evenings beside the firepit, relaxing, watching for shooting stars and toasting marshmallows. We would love to visit again.

Our little family had the best time. The tent is lovely and has everything you need. The views from the decking are amazing. We are coming back again.

Tips for other travellers

Mothecombe beach is lovely, great for swimming and looking for little fish in the rock pools. Saltrum Park is also worth a visit, lots of walks or bike riding if you prefer.

Owner Response

Thank you so much for your feedback. Yes, there is still plenty more things you can see and do and we would love to have you back some day!

The tent is lovely and spacious and a great location for our family holiday. We walked the moors, we went to Plymouth, the beach, local pubs... all with a dog too! The hosts were incredible, we needed a 5th chair for the breakfast table and we had it delivered within minutes. A nice bottle of fizz was left on my birthday which was a very lovely touch. The honesty shop is well stocked and at good prices. Would recommend, thank you! Shame the hosts couldn't have sorted the weather! Wet Devon!

Tips for other travellers

Book it!!! It's amazing! Pack your waterproofs:) And your own board games as due to Covid Brackenhill have put theirs away.

Owner Response

Glad you still had a fun time despite some wet Devon weather! We find that you just have to go out and make the most of it and it usually doesn't disappoint. It is also nice to come back to some creature comforts rather than a damp tent. Good advice to bring your own board games...Thanks for your review and we hope to see you return some day.

Alex met us on arrival with a warm welcoming smile and showed us around the safari lodge, telling us what we needed to know. The lodge was beautiful inside, with everything you could possibly need for your stay! The cleanliness was 5* and the little touches such as the hot water bottle on each bed were just perfect!! The setting of the lodge in the beautiful field overlooking Ugborough, was stunning and having the whole place to ourselves was fantastic! I particularly loved gazing up at the stars from the veranda and my girls loved the campfire and toasting marshmallows, very conveniently purchased on site from the very well appointed 'Honesty Shop'. We only stayed for a couple of nights, but would definitely stay again, next time for longer, I hope!! Both Alex and Simon were excellent hosts, who were just on the end of a text message, and happy to help out if ever needed!!

Hosts were easy to contact while on site as live in adjacent house, and very friendly and considerate. They were good about distancing and ensured our privacy. The tent was very well equipped, and with constant hot water. The ambiance is great as the tent is set in a meadow with many wildflowers and butterflies.

We had a lovely break at Brackenhill Glamping. The safari tent is very homely and has everything you need for a glamping trip. The view from the shower in the early morning is very special, the site is very peaceful and a lovely spot for sunrise. Very comfortable and lovely when the fire gets going in the evenings. The honest shop is very handy.

Efficient & polite with booking service; going over and above with assistance and answering queries. Fully equipped accommodation, immaculate and thoughtful additions, such as breakfast and honesty shop. A wonderful stay, perfect in fact and very much appreciated by a pretty hard to please client!

A beautiful hidden oasis. Ideal spot to step off grid and completely relax. Despite feeling like you were a million miles away from the stresses of life, it was actually well located for trips to River Dart and Dartmoor that were only a short drive away. Every touch was well thought out to make our stay perfect. Fantastic friendly host who made us feel welcome. I could not recommend this venue enough and would definitely like a return visit in the future.
